Dear Sir/Madam

Re: St Mewan Parish Council

We have entered a 'No' response in respect of Item K on the Internal Audit Report.

The Council has a complicated relationship with a number of Trusts which they are working hard to unravel with the aid of legal, financial and procedural advisors. However it is not possible to state that income and expenditure relating to Trusts is not included in the Council's accounts and no separate Trustee meetings have been held during the year.

Yours faithfully,

S.P Hudson

Director
