OC46/26 Cornwall Cllr Report

Trewoon POO BIN CAS-32591-M6N7RN

I am still awaiting an answer regarding instating a poo bin.

Pavement in Trelowth Rd, Polgooth

I recently visited a resident in Polgooth regarding a dilapidated pavement. He explained to me that the pavement had already caused an accident when a lady fell while walking over it. I reported it to Highways who have now confirmed they have been out to see the Pavement and will add it to the list of repairs to fix. No date given.

Coliza Hill

I visited a resident who had reported to me that his neighbour had removed a stone wall, hedges and trees that had been in situ for decades, when I reported it I was told that the resident did not need planning permission.

Since then I have received a notice that there could be a Breach of planning.

I will keep you informed of the outcome.

Event at the Tregorrick Rugby Club

"Central ICA Forum" on the Wednesday the 17th June 2pm -4.30pm

There is a place available for a member of the Parish Council to join us to talk and get involved in the future of our Health and Wellness programme with Sarah Scoltock and other members of the medical community. Let me know if you would like to join us on the day.

I am really pleased to confirm that along with neighbouring Cornwall Councillors, I have got a provisional approval to put the traffic scheme on the A3058 which is now at the design phase. This scheme, if put in place will deliver the double yellow lines for the local area. The scheme will need to be made enforceable by a legally binding traffic regulation order, and Cornwall Council will do a public consultation on it once the details are confirmed. I am now sitting on the Central Planning Committee.
Cornwall Councillor Julie Cunningham advised Cllr Vine that there is no update on the road closure at Little Polgooth.

Cllr Williams gave a verbal update and how it was a productive meeting. Expressed that any changes to the Council's IT arrangements may have implications for existing policies and procedures. In particular, the Council's IT Policy, including requirements relating to data protection and GDPR compliance, should be reviewed, updated where necessary, and formally approved before any significant changes to systems or services are implemented.

The outcome of this policy review may influence the functional, security and compliance requirements that any future email, website or data management solution will need to meet. The clerk confirmed that a meeting has been scheduled for the 19th of June 26 with the clerk, deputy clerk and Cllr Mrs Gudge to discuss the current IT policy and GDPR Policy. OC56/26 Cornwall Association of Local Councils Membership

Clerk to update. **RESOLVE** any further action.

The Clerk confirmed that St Mewan Parish Council is not eligible to access larger council meetings, as it does not meet the required criteria, however there are some councils who still attend but do not meet the criteria. The email correspondence between the Clerk and CALC was reviewed and discussed, and members did not think this was an unreasonable request. The clerk has spoken with Cllr Mr Malcolm Brown who is on the board at CALC who will take the matter up. A wide range of discussion followed regarding how CALC determines its annual membership fees, with particular concern raised that St Mewan Parish Council is paying approximately 75% more than some town councils, despite being unable to access larger council meetings when required. The clerk confirmed to Cllr Holman that the clerk and deputy clerk rarely uses them, however they are there for advice if required. The clerk also confirmed that there are other sources available if needed. The clerk, deputy clerk and members are very disappointed that staff cannot attend a larger council meeting as a paying member if there is a topic of interest that may benefit the Parish Council.

It was

RESOLVED that the Clerk writes to the CALC Board to request a clear explanation of how membership fees are calculated and to seek justification as to why St Mewan Parish Council is not permitted to attend larger council meetings, who sets the criteria and particularly where agenda items could be of direct relevance and potential benefit to the Parish Council. Prop Cllr Vine, sec Cllr Mrs Jannaway. **Action: Clerk**
