OC154/18 Trewoon Playing Fields

Resulting from a resident's concerns, Cllr Wallis and the clerk attended a site visit regarding the boundary wall which is leaning into the playing field but also abuts residential properties.

Cllr Wallis reported (appendix 1) to members after inspection, that the worst section of the wall is approx. 15 metres from the top end of the playing field and after a risk assessment carried out it was agreed Harris fencing be erected. On further inspection it was identified a large tree was not helping the stability of the wall which is between the fence of property 21B and the wall, the wall has been raised by a row of construction block and cannot confirm who carried these works out. The chairman confirmed the council's solicitors' recommendations.

The clerk confirmed Mike James will be on site the 14th February 19 to 'hand ball' the top section of wall off and make safe. The clerk advised members any other works to be undertaken would require a contractor with specialist equipment.

S/Orders were suspended.

Mr Aberdeen one of the property owners gave some brief history on the wall.

Further discussion suggesting options of erecting fencing inside the wall, reducing the height of the wall, steel angles and wire to delineate the boundary. Mr Aberdeen suggested buttressing on the side of the playing field.

It was **PROPOSED** by Cllr Kneller

- To leave the Harris fencing erected
- Receive qualified advice with costs to the possibility of buttressing
- Clear the brambles behind the chapel
- A request is made to the property owner of 21b (in attendance at the meeting) to remove the tree

Seconded Cllr Wallis. Agreed.

Cllr Wallis agreed to meet contractors. Prop Cllr Kneller, sec Cllr Mr Tarbox.
